AUCTIONEER'S NOTE: This will be a full day auction. Note we are starting at 9am. There will be 2 rings running most of the day. Dee was known to do any and all types of projects and had the equipment for everything. The auction will be held at the auction facility due to parking issues at their home. In many cases, we are finding 5 of the same tool. I think when this sale is ready to go, we may have up to 10 flatbed trailers stocked full of tools, etc. Mark your calendar and don't miss this one.
