Can't attend the sale in person? – Bid online . . .

We are excited about being able to broadcast the sale via high-speed internet. Pre-registered bidders from around the world will be able to watch from home, follow the action live, and buy online. If you have dial-up internet, you will be able to watch the sale on your computer, but because of the slower connection, the delay does not allow time to keep up with the bidding. Prospective buyers need to **pre-register before April 18th at www.dvauction.com**. There will be a 3% fee added to the buyer's premium to the purchase of each horse bought online or by phone. Successful bids are required to be wired to our bank on Monday morning following the auction.

PITZER RANCH SALE GUIDELINES

Please read and familiarize yourself with these 2 pages

Pitzer Ranch, its associates and the auctioneers' function is to bring the buyer and seller together.
All responsibilities and guarantees lie between the buyer and seller.

All buyers must pre-register in the sale office.

Bank name, Address and Drivers License will be required to obtain a Buyer's Number.

EXAMINE HORSES PRIOR TO PURCHASING

(be sure to attend the previews, look your choices over, and ask any questions you may have)

1. Persons planning to purchase horses in this sale for the first time should present letters of credit from their banks if personal checks are used in payment. Anyone with account problems with Pitzer Ranch in the past will be required to pay for their horses with cash.
2. There is no implied warranty made by auctioneer or sale company as to the merchantability or fitness for a particular purpose of any animal in the sale.
3. The highest bidder is to be the buyer. If any dispute arises between or among two or more bidders, sole authority to settle the dispute as he sees fit is reserved by the auctioneer and the decisions shall be final. Seller reserves the right to waive the sale of his horse before it leaves the ring. The auctioneer reserves the right to reject any or all bids.
4. The Sales Management is not responsible for the integrity of any specific bid and the seller understands and assumes all responsibility for any bid that is made and not thereafter honored. In the event any bid is not honored, the seller agrees not to hold the Sales Management responsible and agrees not to sue the Sales Management therefore.
5. All horses are offered for sale according to the laws of the State of Nebraska and the right to bid is reserved for all sellers at the sale unless otherwise announced.
6. Effort has been made to insure correctness of this catalog and, in most cases, information quoted concerning the horses is taken from the official AQHA records. However, employees and auctioneers will not assume responsibility for errors or omissions, but appreciate having them called to their attention. Announcements in the ring take precedence over printed information. Pay close attention to the announcements.
7. The seller is the responsible party for all representations or warranties, expressed or implied concerning the condition of any horse and buyers should satisfy themselves concerning the condition of any horse they purchase. Except as otherwise announced by the auctioneer at the time of sale, the consignor of each animal represents and warrants to the buyer and Pitzer Ranch Sales to include but not limited to the following: 1. Title of the animal, free from all adverse claims to ownership, use or possession. 2. The animal is sound of eyes and wind. 3. The animal is not a cribber or wind sucker. 4. The animal does not or has not been nerved, or have a hard bone condition causing lameness that makes the horse lame during the two weeks before the checks go out to the consignors. 5. The sex or condition as a gelding or ridgeling is as described in the sale catalog or announced at the time of sale. 6. Any animal which, at the time of sale is described as a stud or colt and does not at such time have two testes descended to the scrotum must be announced. Warranty with respect to descended testes does not apply to any horse sold prior to Jan. 1 of his yearling year. 7. The horse does not possess the defect commonly known as parrot mouth. If any conditions are announced, the consignor is held harmless for the condition.
8. All guarantees are made by the owner. Make sure to call ahead with questions, take advantage of the previews and pre-inspect horses prior to purchasing as title passes as horse leaves the ring. Right of recourse must be directly to the owner of the horse.
9. All horses have been Coggins tested and found negative within six months of the sale date unless announced differently. Coggins papers given to buyers after horses are paid for.
10. In the event a dispute should arise as to a particular defect which should have been, but was not announced as described above, the buyer has the right to have a veterinarian examine the horse he has purchased to determine if the horse suffers from the defect. This examination is to be made and Pitzer Ranch is to be notified before the checks are mailed. If the purchaser's veterinarian determines the horse to have alleged defect, the Sales Management, as agent, shall appoint a veterinarian of its choice to determine if the horse has the defect(s) and if the defect was present at the time of sale. His or her decision will be final. If Pitzer's veterinarian determines that the defect was present at the time of the sale and it was not announced, the sale of said horse shall be null and void and the consignor must pay entry fee and commission. If the horse is determined by the Sales Management veterinarian not to have the alleged defect, the sale of said horse is valid and enforceable and purchaser assumes all costs of examination, treatment, and sale purchase price. In settling disputes, the decision by Pitzer Ranch is final.
11. If the buyer rightfully rejects the animal in the manner stated in #10, the animal will be returned by the buyer to the consignor and the full purchase price of the animal will be refunded.
12. The seller guarantees all mares were bred to stallions as indicated in the catalog. We believe them to be in foal, but are selling them as is and without return privileges, unless otherwise specified.
13. Sale of a horse is completed by the auctioneer and title passes when the clerk enters buyer # and \$ Sold Amount on the Acknowledgment of Purchase contract. Title passes when this is completed. When a buyer settles in the sales office to clear paperwork and receive loadout slips, make sure the name, address, phone and AQHA information is filled out exactly as registration papers are to be transferred or office cannot be responsible for errors that may occur in transfer of ownership.
14. Title to and risk of loss passes to the buyer when the animal is knocked off as sold by the auctioneer. Immediately after the horse is sold, it will be the sole risk and responsibility of the buyer. Effective from the time of purchase, the buyer assumes responsibility for the maintenance and care of the animal. The buyer and sale attendees further agree to hold the consignor and Pitzer Ranch harmless from all loss, cost and expense arising from illness, injury or death of such animal, or loss or damage to property, and injury or death of persons, caused by themselves, their agents or employees, or by the animal, subsequent to the time of purchase. **No horse will leave until final settlement has been made.**

15. Buyers and spectators are cautioned to be careful while on the grounds, particularly while horses are being shown or sold in the sale ring. All persons attending the sale do so at their own risk. According to the laws of the State of Nebraska, neither the owners nor any other person connected with this sale assume any liability, legal or otherwise, for accidents to persons or property, before, during, or after the sale.
16. Upon receiving payment for a horse, the cashier will issue an order to obtain delivery. Buyers are cautioned not to lose their receipts. Buyers must make arrangements for care of stock until it can be removed. Buyer will need to use the "pink slip" to be released to load. Do not remove hip numbers from horses once they are applied. Buyer releases will be checked against hip numbers and no horse will be released without a legible hip number.
17. Driver's license will be required to obtain a buyer's number. Payment terms for this sale are cash. Payment in full must be made to the cashier immediately after the sale. All payments shall be U.S. Currency. Method of payment shall be Cash, Cashier's Check, Traveler's Checks, or approved bank check which has been verified and approved in advance by cashier and/or officers of Pitzer Ranch. All payments must be made to Pitzer Ranch. Any payment made by the buyer to the consignor or any other party will not be regarded as valid or entitle the buyer to delivery of the animal.
 No Re-Deposits: Anyone issuing us an insufficient fund check for a horse will run the risk of having their name printed in our mailing of 10,000 catalogs and flyers. The size of a NSF horse payment check classifies as a felony and it will be turned over to the District Attorney for immediate prosecution. All past buyers who have passed a "returned check" to the Pitzer Ranch will be required to pre-pay for their purchases or pay in cash.
18. All registration papers will be withheld until funds clear the bank. 14 days from the date of the sale the registration papers, along with transfer certificates, will be mailed directly to AQHA for transfer of ownership to the new buyer. Checks for payment will be mailed to the sellers on that same date. Disputes and returns between buyer and seller need to be completed by that date.
19. Buyers will pay the AQHA \$40.00 transfer fee. All buyers will be charged the current rate of sales tax on any purchase, unless a tax number is given and the proper form is filled out at the office. You will be asked for your current AQHA membership number. Persons not having a current membership can either purchase one directly from AQHA or buy one at the time of payment for purchases.
20. Any horse not consigned to the sale and found on the grounds will be assessed a \$200 fee and will go through the auction at the end of the sale. A release for this horse will not be issued until these terms are met. No horse will be let out the gate without a hip number and release issued through the office.

CONSIGNORS, BUYERS AND SPECTATORS PLEASE PARK VEHICLES AND TRAILERS IN THE PASTURE ACROSS THE ROAD FROM SALE FACILITY. THE SPACE IN FRONT OF THE BARN NEEDS TO BE CLEAR FOR THE CONSTANT TRAFFIC LOADING & UNLOADING OF SALE HORSES.

Bring Your Generators!

One Hot Reining Derby Open = 6th,

CA Reining Ch Level 1 Nov Op Rider.

“Leo” is a total outcross sire that we are excited to have at Pitzer Ranch. His sire “Wimpys Little Step” is a 9.5 million dollar sire, NRHA Hall Of Famer and Earner of over \$203,000. His dam “Miss Silver Gun” is an own daughter of the great “Gunner” and has won over \$86,000 herself. This pretty gray stallion stands just over 15.1, and has the popular bloodlines, athletic ability and physical presence we think will cross well on our “Jack” mares.

TWO EYED JACK

*The Leading Sire of AQHA Champions
In the entire Quarter Horse Industry*

TWO EYED JACK is the leading sire of the Quarter Horse breed. Of the 1416 foals sired by "Jack," nearly 40% were shown. One in every 3.7 earned points. He is the #1 Leading Sire of 119 Open AQHA Champions and his record will probably never be broken. The second leading sire was POCO PINE with 37.

TWO EYED JACKS have proven themselves as the most versatile line in the breed. His get have earned over 37,000 AQHA Points. They were earned 52% in performance and 48% in halter classes. Disposition was one of the major factors in the success of his get. It was such that they would do anything that the rider was capable of. From the novice to the pro, everyone can get along with a "Jack."

Even in his old age, TWO EYED JACK was still good on his legs. It's this type of soundness and disposition that established the foundation of the Quarter Horse breed and made TWO EYED JACK, his get, and their owners #1 on AQHA lists.

 years of developing one of the hottest brands going

Welcome!

We appreciate your interest in the 2023 Pitzer Ranch Spring Sale! The western horse industry is continuing its trend upward. The rope horse sector is taking off in a way that hasn't been seen before. New stallion incentives, the money available at new events and the lower supply of highly reliable, seasoned rope horses makes for big opportunity.

The horse breeding world has advanced in a big way over the last few years with ICSI procedures. This, along with the embryo transfer procedure has created a high demand situation for good mares to raise these special foals. Breeders now have access to world class genetics and technology, which in turn will only promote better horses. Pedigrees matter, high quality matters and with breeders getting incentivized to raise better horses each year, the horse flesh is going to improve even more.

We are excited to step into the Cow Horse Industry with new Pitzer Ranch stallion Metallic Casanova. We think that his good looks, athletic ability and popular, modern day bloodlines will complement our program well in the coming years.

AQHA is now able to track rope horse earnings. This will put huge value into a horse that a few years ago had few ways of proving their success outside of AQHA Events. Stallion Incentives like the HPI, Riata Buckle, Royal Crown and new for 2023, the American Rope Horse Futurity Association's "Top Gun Stallion Incentive", will give breeders even more reasons to choose stallions who have been paid into the programs. There are literally millions of dollars available to Ropers who are willing to compete on a horse sired by one of those paid up sires.

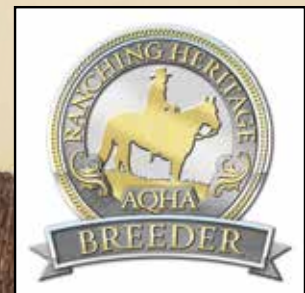

This sale has some real, high quality, broke horses that can go and compete for the millions available. The broodmares are top shelf quality and the young prospects are some of the best that have been offered in recent memory.

Come out for the Sale Performance Preview on Friday the 21st. We will start at 1pm and go until everyone is done. 7am the next morning we will have a short preview again with the auction to start at 9am. Be sure to bring your catalog to the sale and find a good seat! There are high quality horses offered clear up to the very end.

Don't forget to make plans for our big event in September! The always exciting HPI competition will be going on its 13th year Wednesday, September 6th and the Fall Sale the 8th & 9th is sure to be full of quality horses that are eligible to win a whole lot of money!

Again, Welcome to the Pitzer Ranch Spring Sale and Thank You for your interest!

The Pitzer Ranch Crew

"Little Bit" is a 14'2 hand, thick made, really cute & pretty gelding. He is broke, super handy size for recreation or arena riding. JD Yates had him in his program and hauled him to shows 2 years ago. He has been to the Riata Buckle in the heeling from the open to the #10, made the short round in each. He has been headed on and is gentle and a pleasure to ride.

"Shooter" is a pretty & quiet medium to stout built 15-1 hand gelding. I've ranched on him since he was a 3 year old. He's penned, sorted & drug calves to the fire. I'm a senior roper and I have taken him to Arizona the last 2 winters to head on at jackpots. This is one of those SUPER NICE geldings, they don't come along very often. Fits a lot of areas of riding and levels of ropers.

He's great to ride outside and in the arena. Head or Heel on him, he's the perfect size for either end. He is great to rope on in the pasture, and is a pleasure to ride alone or in a group. He is conformationally correct and is certainly built to be athletic. He is from the last crop by Bartender Joe Jack, the stud we stood at our ranch for many years that produced great ranch and rope horses. He has all the speed, run & rate you could ever ask for in a head horse. We raised him and he was started with all aspects of ranch work. He has pushed cattle, roped outside, is a good trail horse that will cross any log or creek with ease. Anyone can ride him. If you are looking for a great head horse that is safe for any level roper--he's your guy. Look for him in the preview.

Here is a really nice, seasoned calf horse. He has all the components; can really run, scores good, stops hard, and pulls. I've won money on him in the PRCA, NSRA, and jackpots. He's well mannered and very broke. He is everything a good gelding should be: pretty, stout, easy to catch, stands tied, easy to trim/shoe, neck reins, and good to use on the ranch. An all around very nice horse. Sound and UTD on everything.

Riata Buckle eligible and nomination fee has been paid for 2022! Kind, quiet, stylish gelding that has covered lots of country gathering cattle last fall. Fiddle Dot has a solid foundation with the ability to shorten his stride as he will bridle up and do the pretty slow lope, lead changes situation or you can turn up the speed and work a cow all while maintaining his mind. Very willing gelding that is showing lots of potential as we start him on slow cattle/roping the sled.

I've ridden several ranch horses with this breeding, and they will make it to the front of your string every time pretty quickly. This guy is truly kind with zero buck. He has spent most of his life on the ranch, though he has been picked up on and started well in the arena. At 15 hands, 1250 pounds, you won't find a sturdier legged and footed all-around gelding to take the longest of days or most competitive of roads.

If you want to turn heads at the roping or the branding pen, this is your guy. We have hog hunted, branded calves, day worked on him a lot. "Crunch" is one of the toughest horses on the place. He has no quit in him. Nice head horse that has been hauled to several jackpots. He has plenty of speed but can dial it back for the lower numbered ropers, no bumps, blemishes or maintenance come with him. He is sound and ready to go. He stands 15.1. Scores great every time!

This gelding at 3 years old was sent to the Pitzer Ranch and was trained by Clayton Schlenger for eight months to be a head horse. He excelled at heading very quickly. He did so well that even as a 3 year old Clayton showed this gelding at two AQHA shows and won points on him in the heading at both events. Cooper White a recent Badlands Circuit Champion, hauled this horse as a 4 year old to college as a practice horse and roped 60 to 80 steers a week on him. Since then he has been hauled to WSR, USTRA, and open ropings. The last 2 years he was hauled to Wickenburg, AZ as well as the WSR Championship in Las Vegas, NV. This gelding is calm and easy to handle in the box, and leaves flat and smooth. He is strong out of the hole, gives a great handle and has a quick snap face. This horse has the speed, experience and demeanor to compete in all classes of team roping.

George stands 14.3 and weighs 1225. He's great headed, heavy muscled along with good bone and feet. He was shown once as a 5 year old and then suffered an eye injury that left him blind in his left eye. Since then he has been used extensively as my personal ranch horse, and has had cattle doctored on him in the pasture, drug calves to the fire and gets used when the jobs are tough. As a breeding horse we have both hand bred and collected him for AI and shipping semen. He sires colts with a lot of shape, good heads and gentle dispositions. He is a paid HPI sire and one of the best sons of Royal Blue Quixote you will find.

Pockets is a 15.2 hand, 1350 lb pretty bay gelding. I bought this horse for a friend as a baby, then bought him back because he is the right kind. Gentle, lots of bone, great feet and athletic. Super comfortable horse to ride and enjoyable to be around. Head horse type that has been heeled on some, but his real occupation will be as someone's go to head horse. Four white socks, bay and fancy, Pockets gets a lot of attention everywhere he goes. Great young gelding with a really high ceiling and bright future.

This mare has been a really good producer for me, she is a more moderate sized daughter of Red Buck. She produces correct, pretty colts that have some ability. She sells open this year as I tried her twice last year with frozen semen that did not take. She has had foals with the frozen semen in the past and also does really well with pasture breeding. Gentle, easy to be around, no problems, just need to make room for some younger mares. She is ready to breed to the stallion of your choice.

"Classy" is a gentleman if there ever was one. He is gentle enough that we have put people on that have never ridden, even at 3 years old. Has been used in all phases of ranch work, can be hauled, tied right next to mares with no problems. Has competed at the HPI and Riata Buckle. At the Riata he won 2nd in the Open winning \$41,000 and was 2/100th of a second off of first place. In the #12 he would have won but the heeler missed, and in the #10 he placed on the heel side. With his blood, shape and temperament he will improve your mares. A real "No Holes" stallion.

Brownie is a six year old Bay and stands 14.3 hands, 1150 pounds, good started heel horse in the practice pen, very quiet in the box has not been hauled. I bought him as a four month old grandson and I have taken him on 1000's of trails, South Dakota southern Missouri, Arkansas and all over Iowa. He will cross any logs in creeks with ease, he is good in rocky or steep terrain. Brownie would be good for someone to use as an obstacle/game horse; anyone can ride and enjoy him he is a safe one for the entire family. From age 11 to 15 my grandson has been riding him everywhere, now into cars LOL. Brownie is our go to horse if someone needs a horse to ride around town in the timber or anywhere. He is laid-back, easy-going with speed if you asked for it. Has been sent to a good friend Joe Day/trainer for the last few years during the winter months.

Shooter is the type of gelding that is a pleasure to have around. He's the same horse whether he's rode everyday or has a couple months off. He has done all aspect of ranch work will really watch a cow and is fun to go rope one on. He's got a good start in the team roping. Everything is easy for him, he's strong at the horn, and can rate and stop. The best part of this horse is you can use him in the arena or the ranch and then throw your kids on him and he takes care of them. He's safe, sane, and fun to be around. "Nashville" is a beautiful bay roan gelding. A solid head, ranch, and trail horse. Has been hauled to a limited amount of jackpots, been used extensively on the ranch catching, gathering, and sorting cows and calves and will continue to be used until sale day. A true family horse that is super gentle and safe for anyone to ride, very fundamentally broke and is a pleasure to ride. We raised him from a weanling and he has been a huge part of our family. Kid safe and has carried both of our young daughters around and is a true barn favorite. We have no doubt that you and your family will love this horse. Stands for the farrier good, easy to clip, bathe, load, and hauls well. No buck, bite, or kick. Stands 15.3 hh, #1200. "X Factor" is a 15'3" super gentle family type horse you can lay off for a month or two and load him up and go compete on him and win money. I bought him from Rex fall of 2021 so I could go and compete in AZ, and I won money the first 3 jackpots I went to, then a little here and there after that. Last fall I hadn't rode him for 2 months and took him to Kilgore and won \$1,650 on him. After 35 years of marital bliss I finally kept one gentle enough for my wife to take on her FIRST desert trail ride. X-Factor requires a little maintenance, but is WORTH IT!!!

"Jasper" is a pretty 14.2 palomino gelding that was purchased at the ranch when he was 3 years old. He has been ridden by every level of rider in the years we've had him, and they all get along well. He has been with Clayton the last several months and I think you will like what you see in the roping preview.

"Raton" is a 5 year old grullo roan stud, homozygous black, non-agouti, with one copy of the dun and 1 copy of the roan gene (E/E,a/a,D/nd2.Rm/N). He has been used for all types of ranch work, checking fences and pastures to roping cattle outside, sorting in the pens and dragging calves to the fire. Head & Heel both, hauled and won \$\$ at local jackpots. Stout built with good bone, strong to the horn. His greatest virtue is his calm demeanor. He bred 10 mares his first season, but does not act like a stud when rode. This calm and relaxed personality transfers into his serenity in the box, but when asked to work he will pick up his speed.

I'm not a calf roping man, but this horse will most likely turn into one and will be great at it. This horse has been rode outside a lot, has a really smooth lope, you can ride him all day long. Has a great handle and is soft, anybody can ride this horse. 100% sound.

At 15.1 hands, Cougar is a medium heavy made attractive unique colored champagne gelding with some shape. Broke, moves his feet well, has some run, lots of rate, scores good, can handle cattle and faces nice. Carried flags at rodeos, been to some jackpots in the heading as well as flagged the ropings. Cougar has seen a bit of everything. Rides outside and really good to sort on. With good feet and bone this gelding has a lot going for him. Don't miss out on this one.

"Buck" is a true gentleman – been there, done that kind of horse. He's medium framed standing 14.2 and extremely athletic, a seasoned rope horse, hauled regularly to WSTR and NTR's. He's been hauled by a #5 header; but is super fun to heel on as well. This horse really strides out; he's solid in the box, has good rate to the steer, and speed to get you there. We picked "Buck" up out of Nebraska as a 4 year old. He had an exceptional start prior to us and it was easy to transition him to the arena. He's been a true joy to ride and has given us some amazing opportunities. This horse is a rare find – kind, gentle, athletic, easy to haul, and always looking to please.

"Cowboy" – stout and strong – tough as nails! This horse has been hauled regularly to WSTR and NTR's. He is seasoned and SOLID!, competed at both finals and pulls in the \$\$\$. A good "sitter", he is solid for a #3 to #6. Solid in the box, good rate to the steer, speed to get you there, and no funny business. The heelers love his handle; he knows his job and will adjust to his rider. "Cowboy" is the type that is hard to find. We've owned him since he was a yearling. No stranger to long days, he spent his younger years in the mountains and weeks at hunting camp. Some maintenance due to age – we've been giving Pentosan monthly and occasional Equioxx on the tough days or long hauls. He's certainly been a good one for us and we hope he'll provide the same opportunity to you!

"Hank Jr." is a super cute stands 14.3 hh, #1100. Put together right and has a ton of eye appeal. A true switch ender that is ready to be hauled in both the heading and heeling, a true ranch horse and is bar none the best ranch horse on our place. Whenever we have a big chore on the ranch such as catching strays or gathering and sorting, he always gets the call. Lots of grit and try and will never quit you. A super bright future ahead of him in the roping pen, is super broke, has a ton of foot speed, and can really run, scores good, runs hard, has a good move, strong to the horn and has a snappy finish. Heeling, get in a good spot on the cow and stop and be strong to the horn. Being that this good young gelding is so athletic, fast, and responsive, he will require a more experienced rider. If you are looking for your next big time performance horse or your next daily driver on the ranch, look no further than right here.
